# Complex Editorial: Five Standout Spring/Summer 2015 Collections From Liberty Fairs Trade Show

BY JAMES HARRIS  3 DAYS AGO SHARES (98)  COMMENTS

At Market Week, Liberty Fairs is the new kid on the block, but it's quickly rising up and flexing with the more established shows. With over 100 new brands flocking under its roof this season, the show covers everything from progressive designers to workwear, and show attendees were taking note. The show was buzzing, but not with gimmicks or ploys to get people Instagramming. The men and women there were looking to get business done, and the energy in the room was purely professional. But with such a great mix of aesthetics, we knew we had to get our hands on some gear and put together this editorial of **Five Standout Spring/Summer 2015 Collections From Liberty Fairs Trade Show**.
